How Ty Gipson Transformed Life's Adversity into Success

After overcoming 3 transplant surgeries and countless complications from Juvenile Type 1 Diabetes, Ty has become an expert at overcoming challenges.

When asked how he has been able to do all of this WHILE growing a successful business and family, Ty explains it in one phrase: No Options!

Today, Ty is sought after for his expertise and insight to inspire and equip audiences across the country. He's worked with Donate Life Texas and TOSA at multiple outreach events as a featured speaker.

His Keynote with the Georgetown Chamber of Commerce business events has inspired new entrepreneurs to push through and persevere, where he was honored with Small Business of the Year.

As an engaging Keynote Speaker, Ty incorporates 33 years of sales background across 5 different industries. His experiences span from early days of graphic design and marketing for Disney World to treasury management and finally to successful business owner of 2 independent businesses for over 18 years.
